Joachim Joesten is the champion Warren Report critic, having turned out seven books on the subject thus far. And there will be more.

Three more books have been announced, but they will not be available at bookstores or newsstands. By summer Joesten will have ready a two-volume work entitled THE CASE AGAINST LYNDON B. JOHNSON. The first volume will deal with "his role in the plot before the murder" and the second "his role in the cover-up."

During World War Two Joesten was an assistant editor of Newsweek. Since then he has written books and magazine articles.

A second book will also b ready soon. It will be call THE CASE AGAINST THE KE NEDY CLAN ("They've kn the truth all along—but cow ice and expediency kept quiet."). The third title is BIGGEST LIE EVER TOL Kennedy Murder Fraud— I helped expose it), whi four volumes.

The series will most be mimeographed and by subscription. Add U.S. is 87-70 173rd York City. In Europ Dreschstr. 5, Ger care of the author
